Cutlery Creator Since 1866

“ Cutlery Creator Since 1866 ”

Company Profile & History

Sola Switzerland AG has its roots as a creator and a manufacturer of the finest cutlery since 1866. For five generations, our cutlery has been created by the purest Swiss touch and know-how and remains until today fully in line with the quality, professionalism and service spirit of the founders of our company. From a local factory in Central Europe , our company became within 143 years a referent Swiss manufacturer of cutleries and table serving tools on the world market.

In quantitative terms, Sola Switzerland AG is the largest Swiss cutlery manufacturer and gains important market share across Europe every year. Our company operates from a number of manufacturing sites, to fulfil customer demands worldwide on a large and diversified range of cutleries for most of which, we maintain a sufficient stock level immediately available to our clients, thanks to our strategic market proximity, in-house silver plating facilities and modern logistic platforms.

The company's unique design competence coupled with our well-equipped design studio, where full-size 3D models of cutlery can be designed and fashioned out of steel before prototypes are directly sent to our manufacturing sites, help us in maintaining our permanent support and reactivity toward our customers.

Our uniqueness stands on ensuring a steady flow of attractive new models every year with a styling and creativity that enjoy immense popularity on professional, retail and airline channels all around the world. This allows Sola Switzerland AG to remain very responsive to our customers' unique requirements and needs, and to keep a vital step ahead, thus being able to answer to the latest trends and specificities on all markets.

“ ISO certificated company
offering the best quality ”

As an ISO certified company, Sola Switzerland AG guarantees perfect quality control from raw material selection, manufacturing processes – such as cutting, rolling, hot or cold forging, silver plating and hollow handle processing to the whole packing process. Our strict quality analysis procedure at every step of our production, guarantees that our products will reach each and every end-user in a perfect and reliable condition.

Thanks to the passion of our young management team and of our entire workforce, we can satisfy and answer to the challenges and requirements of modern-day business. Our steady rhythm with regards to major investment in to acquire the most modern technologies, ensures that our customers can maintain a competitive edge in the marketplace, being fully aware that their success will finally be ours.
